

SEMINAR

Topic: **How to teach your child with autism**

Speaker: Dr. Kirsten Wirth, C.Psych., BCBA-D

Date/Time: Wednesday, July 8th @ 7-8 pm

Location: Bronx Park Community Centre, Computer Lab

Cost: \$25 +GST ea.

Who should attend: parents or caregivers of all children.

Registration deadline: July 7th

In this seminar you will learn basic principles and procedures from applied behaviour analysis (ABA) and generally how to apply them to teach skills to children with autism. Tips and examples will be provided from a number of different skill areas of how to break down skills to teach, how to prompt, how to fade out prompts to promote independence, and how to ensure generalization to other people and places.

Space is limited so please register early.

How to register: simply go to www.wirthbehaviouralhealth.com/events, fill out the form at the bottom of the page, and you will be sent an invoice. All payments to be made by credit card unless otherwise arranged with Wirth Behavioural Health Services.
